

Looking For Someone To Take Over

We have had some big changes on our end (all of them good) but we find ourselves with less time to work on the website. So, I am looking for someone interested in taking this over and giving WorkoutWithWii.com the time and care it really needs and bringing out its full potential. We have a lot of traffic and interest from the Wii community and the outside and there is certainly a lot of un-tapped opportunities for this site. If you are interested or want more details, contact us using the contact us link at the top of the page.
